EBJ 2018 CYCLAMEN SALE

For the 15th year, EBJ will be offering beautiful pots of cyclamen in time for all your winter holidays. Cyclamen love the inside cool temperatures of winter. They require light, not direct sun; placing them near a window or on your holiday table makes for winter beauty. Plants will be in translucent “sleeves” for gift giving.

The Edith B. Jackson Child Care Program thanks you for your past and continued support!
